10 to 14 December - Shaw Centre - Ottawa, ON

ITK is currently accepting nominations for the Northern Travel Fund and the Inuit Recognition Award.

Each year, ITK works with ArcticNet to ensure that Inuit are well represented at ArcticNet's Annual Scientific Meeting. We bring Inuit research priorities to the forefront and ensure that we continue working together towards Inuit self-determination in research, one of ITK's strategic objectives. This year's ASM is being held in Ottawa from December 10-14. We are currently seeking nominations to support Inuit engagement in this annual learning and networking opportunity.

The focus of the Inuit Recognition award is to recognize Inuit who are making strong efforts towards meaningful Inuit involvement in Arctic research. Inuit partners will recognize one recipient who has shown excellence in the area of Arctic research.
